

Powerful

The LapMotion line of medical POC carts are now available with a versatile new power system that supports multiple battery chemistries, includes easy to understand user interfaces and provides maintenance functions via WAN, LAN, or VPN

Ergonomic

Weighing in at an even 100 lbs., the LapMotion 2P provides all the power you need, at a weight 10% lower than the competition.

Economical

With an MSRP of \$3099.00 the LapMotion 2P is the most cost effective cart on the market.

Configurable

The LapMotion 2P is available in multiple configurations, has two base options, and two power supply options. In addition our factory can build custom attachments to your specifications.
